PRESIDENT'S CALENDAR

Note: Many of the tasks on the President's Calendar are delegated to other board members, such as reserving the venues for the luncheons. The President needs to ensure that these tasks are being done, but doesn't have to do them herself.

Monthly

1. Chair the monthly Board of Directors Meetings.
2. Call for items for the agenda 10-14 days before the Board meeting.
3. Set the Agenda for the monthly board meetings, and send it to Board Members.
4. Review and edit Board meeting minutes taken by the Recording Secretary. Send to Board members before the next meeting, for approval at the next meeting, preferably immediately after the meeting so that members can review their action items and dates of upcoming activities and events not mentioned in the Bear Facts.
5. Write the President's Message for Bear Facts published in October, December, February, April, and June.

June, July, August.

1. With the Vice-Presidents set up dates for the Fall Luncheon and other fall events. This may be done earlier. Confirm date at the International Center as soon as possible.
2. Plan dates for the August Executive Board meetings. These meetings are scheduled at the discretion of the newly elected president and her board. The purposes of the meetings are to prepare the membership letter and the annual budget. Reserve the Oceanids Pavilion for those dates. This is done at the International Center Office.
3. Reserve the Oceanids Pavilion for the monthly Board of Directors meetings on the first Thursday of the month from 9:00-12:00, and for three hours every Thursday afternoon for exclusive use of Oceanids.

1. Chair the Executive Board meeting to plan the budget. Attendees should include, but are not limited to, the President, Treasurer, Financial Secretary, and Parliamentarian.
2. Ensure the 2nd Vice President for Membership sends out membership letters with renewal forms and return envelopes enclosed. There should be one letter for annual members, and one letter for life and sustaining members. The letter should include information about the Fall Luncheon and Holiday Party. The renewal form should include a section of opportunities for them to volunteer in Oceanids. It should also include a section on ways they may donate funds to Oceanids.
3. After being contacted by the Chancellor's Office regarding the allotted tickets for Oceanids, select attendees for the Chancellor's Welcoming Party for new faculty. Attendees should include the President, the Second Vice-President for Membership, and the chairpersons of Newcomers and New Members.
