OCEANIDS POLICY AND PROCEDURE MANUAL

SECTION 2 – MEMBERSHIP

Roles and responsibilities of the second vice-president (membership chairperson)

General

Fiscal year is July 1 to June 30. Dues are payable July 1 and delinquent December 1. All dues are made out to the UC San Diego Foundation and are tax deductible. Dues made out to Oceanids are not tax deductible; the money goes to our General Fund.

Annual members: Dues are $35. Checks for annual members should be made out to UC San Diego Foundation with Oceanids in the memo line.

Sustaining members: $250 for a 20-year membership. At any time a Sustaining Member may pay an additional $250 and become a Life Member.

Life members: $500 for life membership. Checks for Sustaining and Life Memberships should be made out to UC San Diego Foundation with Oceanids in the memo line. (Per Mary McIlwain: If a couple is Sustaining Members or Life Members and a spouse dies, the living spouse retains membership status. If the remaining living spouse is the husband and he remarries, he takes the status of his new wife.)

Additional tax-deductible contributions, e.g. to the Memorial Fund, should be made out to UC San Diego Foundation with Oceanids in the memo line.

OCEANIDS MEMBERSHIP DUTIES- OUTLINE

1. Mailings: membership renewal letters for annual and sustaining/life members (see August below)
2. Membership database: Filemaker Pro software (# in front of name means that person does not wish to be listed in the directory??)
3. Maintain membership statistics for presentation at each Board meeting
4. Track new members, prospective members, members who have not renewed, and deleted members
5. Maintain membership log (large 3 ring notebook in Oceanids office)
6. Collect dues: see monthly duties
7. Submit membership news to Oceanids Newsletter
8. Prepare labels for five Oceanids newsletters, Fall Brunch invitations, Spring Luncheon invitations, and August renewal letters
9. Order envelopes for all mailings (business envelopes and 6 ½ X 9 ½). See order form in cabinet (??). Order forms can be obtained in the front office (??). Envelopes are charged to AGY 6595 (for those ordered on campus).

10. Bulk mailings: sort labels by zip code and keep labeled envelopes in order by zip code
11. Maintain membership supplies: buy what is needed and turn in receipts to Treasurer for reimbursement, e.g. printer pape, ink cartridges, postage stamps, envelopes, staples, tape, etc.
12. Manage membership budget
13. Prepare directory every two years. Usually, work starts on this in January so it is ready for distribution at the Spring luncheon. Each member receives one copy. Extra copies can be purchased for $2.00. (Mary, we should write up how to do this XX).

MONTHLY MEMBERSHIP DUTIES
A. DUES AND DONATIONS

1. Collect envelopes containing checks and forms from International Center mailbox.
2. Update membership database: Filemaker Pro database for current year. For each member, update their file under "Data Entry" and "For Treasurer" fields:

Data Entry: changes may include membership status (new expiration date), phone number, email address, etc.

Date joined: when paid for new membership (date on check)

Joined on: (??) fy 2010-11 (this is the fiscal year joined; it is important for new members as it will be used to sort for new members)

For Treasurer: Enter amount paid under Annual and donations in appropriate field (e.g. Memorial Fund, UG Service Award Fund). Assign an Order Number to each member entry. Enter the number in the database, and write the order number and the check number on the member's returned Form and file this Form in the membership log (3 ring binder).

Print out two copies of the Filemaker Pro form "For Treasurer", after first omitting all entries except the order numbers you just logged in. On one copy, circle the dues received where the check was made out to "Oceanids" and give those checks and that copy to the Treasurer. On the other copy, circle the dues received where the check was made out to "UC San Diego Foundation" and give those checks and that copy to the Financial Secretary.

B. NEW MEMBERS

1. Log into database as described above for renewing members and document the new member's name in the New Member section of the Membership Log notebook.
2. Make sure that all new members receive a directory, and a welcome letter or telephone call from the Membership Chair or the President. (To mail the directory: close on 3 sides with mailing sealers or place in a small manila envelope and attach $1.39 (as of August 2010) for 3 ½ ounces first class.
3. Send the new member's name and email to the listserv administrator.
4. Send a list of New Members to the President and to the New Member Chair. To do this, in Filemaker Pro, sort by "joined on", last name, first name (for this reason, it is important that the "joined on" be included in the data entry for New Members).

5. Send a list of new members with the name, phone number and email address to the Oceanids Newsletter editor. Include all the new members since the last newsletter.

C. PROSPECTIVE MEMBERS
1. Send a complimentary Oceanids Newsletter and brochure to prospective members as requested by any member. Ask the Folding Committee to put 5-10 extra copies of the Newsletter in the Membership Chair's box so that recent copies are available to send to Prospective Members.
2. Record prospective members in the Prospective Members section of the Membership Log (??). Submit a list of these prospective members to the New Membership Chair.

D. DELETED MEMBERS
1. Keep track of Deleted Members in the Deleted Members section of the Membership Log (notebook). Indicate if non-renewal is due to lack of interest, moved or deceased. Keep track of Deceased members for the In Memoriam page of the next directory.
2. Send the member's name and email address to the Listserv Administrator so they can be deleted from the listserv.
3. Delete the member's record from the database.
4. Send notice of deceased to the Newsletter editor.

E. Non-renewed members
1. Before the November Board meeting, print out a list of the non-renewed members with telephone and email (FMP: either omit all records using "Membership status" except for annual members with expiration the previous year, or use Filemaker Pro form "Non-renewed members layout"). Ask the Board for help contacting non-renewed members to remind them. Before deleting members, consider if they are candidates for Honorable Life membership (i.e. long-standing, previously active members who are elderly and have become unable to pay annual dues due to mental or physical disabilities). For other non-renewing members, contact by telephone and/or email to remind them. Delete non-renewing members before the Feb/March newsletter labels are printed in January.

F. Oceanids Newsletter updates
1. Oceanids News is published five times per year: October, December, February, April, and June. Submission deadline is approximately the 15th of the month prior.
2. Give a list of new members to welcome with names, phone numbers and email addresses, and a list of changes to the directory, in alphabetic order by last name. It would also be a nice welcome (if the Membership Chair is so inclined) to submit a small write-up on each new member, and to acknowledge the deaths of members.
2. Print labels for Oceanids News (for October and December, include all members, including members whose memberships have expired). In FMP, sort first by "email newsletter" and omit those people. Then sort the remaining names by zip code, and select Labels form for printing. Print one page at a time to avoid jamming the

printer, align to the left, label side down in the HP5550. Give the labels to the newsletter editor.

G. Membership statistics
1. Each month before the Board meeting (first Thursday of the month except July and August), determine the membership statistics, e.g. annual renewed and non-renewed, sustaining, life, honorable life and comps.
2. Attend monthly Board meetings, and report the membership statistics, new members, and any other membership news at the Board meeting. In November and December, take a list of non-renewed members to the Board meeting and ask the Board for help reminding delinquent members to renew.

DUTIES SPECIFIC TO A MONTH:

AUGUST

A. Membership Database
1. Create a new database for the new academic year. Copy last year's database, and in the copy, delete all the For Treasurer info re: amounts paid and order number. Save as a new file dated with the new fiscal year.
2. Check if any Sustaining Memberships will expire this year. Notify these members that they need to renew as Life Members for $250 with a personal note in their renewal letter.
3. Purge last year's Oceanids Membership Log (3 ring binder). Keep the files for New Members, Prospective Members and Deleted Members. Shred these forms. (??)
4. Make a copy of last year's membership list (FMP what form??) Place this list with the New, Prospective and Deleted Members sections.
B. Mailings
Make sure there are enough #9 and #10 envelopes for the Annual and Sustaining/Life renewal letters. If not, order them (how??). Make sure you have enough labels (Avery 5160). These can be purchased at Office Depot or Staples.
C. Renewal letters
1. Annual membership renewal: Send a membership renewal form with a membership renewal letter. See previous letters as templates. Obtain dates for Fall Luncheon, first Sounding Board, and Holiday Party from President. Let the members know that dues are payable in August and are delinquent December 1st.
2. Sustaining/life membership greeting: Send a greeting which includes the above dates for upcoming events, and a contribution form (see previous years for examples). Encourage Sustaining Members to become Life Members. These letters and forms can be in a different color to distinguish them from the annual renewal letters and forms.
D. Comps list
Give the President and Publicity person a list of comps in the database, i.e. those to whom a complimentary copy of the Oceanids newsletter is sent, to review for additions and deletions as needed.

E. Discuss Membership budget for the coming year with the Oceanids President. Consider whether a Directory will be published this year.

SEPTEMBER

A. Fall Brunch Invitations
1. Give the First Vice Presidents the approximate number of invitations that will need to be sent: all members (whether or not they have renewed), all prospective members, and individuals on the Comp list (note that some comps are just general postings).
2. Find out when luncheon chairs need labels. Prepare labels for all members, all Prospective Members, and individuals on the Comp list (not general postings).
B. Monthly membership duties (see above).
C. Oceanids Newsletter: first deadline is approx. September 15th.
1. Make sure the newsletter editor prints a dues reminder in the October/November newsletter. Include welcome to new members, death notices, and any corrections to the database.
2. Let editor know number of copies needed (based on number of members receiving newsletter electronically).
3. Print labels for newsletter.

OCTOBER

Monthly duties (see above)

NOVEMBER

A. Non-renewed members: take a list of non-renewed members to the Board meeting and ask for help contacting members to renew.
B. Monthly duties (see above)
C. Oceanids Newsletter: deadline is approx. November 15th.
1. Make sure the newsletter editor prints a dues reminder in the December/January newsletter. Include welcome to new members, death notices, and any corrections to the database.
2. Let editor know number of copies needed (based on number of members receiving newsletter electronically).
3. Print labels for newsletter.

DECEMBER

Monthly duties (see above)

JANUARY

A. Monthly duties (see above)

B. Delete all non-renewed annual members before printing labels for newsletter. See Deleted Members above.
C. Oceanids Newsletter: deadline is approx. January 15th.
1. Include welcome to new members, death notices, and any corrections to the database.
2. Let editor know number of copies needed (based on number of members receiving newsletter electronically and deleted members).
3. Print labels for newsletter.

FEBRUARY

Monthly duties (see above)

MARCH

A. Monthly duties (see above)
B. Oceanids Newsletter: deadline is approx. March 15th.
1. Include welcome to new members, death notices, and any corrections to the database.
2. Let editor know number of copies needed (based on number of members receiving newsletter electronically).
3. Print labels for newsletter.

APRIL

Monthly duties (see above)

MAY

A. Spring luncheon labels: Print labels for all members in good standing and individuals on the comp list. Give labels to First VP's.
B. Monthly duties (see above)
C. Oceanids Newsletter: deadline is approx. May 15th.
1. Include welcome to new members, death notices, and any corrections to the database.
2. Let editor know number of copies needed (based on number of members receiving newsletter electronically).
3. Print labels for newsletter.
