BOARD MEETINGS: ***first Thursday every month***

Oceanids **new office**, part of the International Faculty and Scholar Office, McGill Hall, Muir College

Coffee and refreshments: 9:30 am, meeting starts at 10:00 am.

(You are welcome to attend!)

PRESIDENT'S MES-

Before I venture further, let me just get to the point: We want you to attend the Oceanids' spring luncheon. This meeting is important from the standpoint of our rules and regulations. We must have a business meeting and elect officers for the next year at this time. We will also recognize some of those who have given outstanding service to the organization. (I personally find this difficult because so many have contributed to the ongoing programs.) Secondly, and perhaps more importantly if not legally, this is a chance for the whole membership to come together for a pleasant social event. How cool is that?

For the past several years we have gone to the waterfront and the Bali Hai for the spring luncheon. This year we are going in the opposite direction – out to the other side of town. Please read the invitation on the front and get excited as I am about the venue. I personally have never been to the Mission Trails center and am very much looking forward to seeing what is described to me a lovely and interesting location.

No, there can be no excuses. It's a relaxing time to meet old and make new friends. A beautiful setting, interesting food, and a good program. As you can see, we are ready to provide transportation – just let us know. Please pick up that pen and sign up NOW! How hard can that be?

Recently I read an article that continues to bother me. It stated that at least half of the international students who come to the U.S. and up to 80% of the Asian students go home without making an American friend. We can understand their difficulties in making personal connections and we can also feel sad that American students do not reach out to them. Oceanids and The Friends are doing what we can, mostly with older students and faculty. Sometimes we hear from our international contacts that their only "real" connection in the U.S. is someone they met through tutoring, newcomers' activities, or the kitchen exchange.

The more cheery articles I have read tell me that as we age (anyone out there not doing that??) we have more satisfying lives and perhaps even healthier ones if we have a circle of friends. The March AARP Bulletin urges us to "get social" for the benefit of our health and long life. Oceanids provides that opportunity in spades. Besides our larger events there are, of course, the interest groups. All that is required is that you get up and go. Show up. Engage in conversation someone you don't really know. Make that small effort and you will be better for it!

So, please. Take us up on what we can offer to you this spring. Come to the Faculty Club for Sounding Board. Think about what interest groups you want to join next year. And most especially sign up now for the Spring Luncheon!

Oceanids Support UC San Diego Career Development Week

One of the campus events that Oceanid members' donations supports every year is the Master's and Ph.D Career Development Week, originally the Ph.D Career Conference. This event is dedicated exclusively to graduate students and postdoctoral career and professional development, and features workshops, guest speakers, and networking opportunities with employers. This week-long event helps graduate students and postdoctoral students navigate the complex world of career options, with events such as "What Can I Do with a Master's or Ph.D" panel discussion, preparing for the Non-Academic Interview, Managing Your Online Presence, Networking Your Way to a Job, an Employer Networking Mixer, and much more.

Liz Winant, Financial Secretary

This year Oceanids is once again sponsoring the UC San Diego Triton 5K walk/run on Sunday, April 9 at 9 am. You can sign up at their website, http://5k.ucsd.edu for **Team Oceanids** until April 3rd. Entry fee is $30 for friends of the university. Oceanids is sponsoring this event, so you can stop by the sponsors' tent before and after the race for chatting and food. We hope to see you there!

OCEANIDS, INTERNATIONAL CENTER 0049, 9500 GILMAN DR., LA JOLLA, CA 92093-0049

We are sorry to report the passing of **Shelly Schultz**, husband of Oceanids past President and life member Carol Schultz. Our condolences to Carol and their family.

Longtime Oceanid member **Sonia Hamburger** was born July 31, 1924 - and died February 8, 2017 in La Jolla. She was predeceased by her husband, Robert N. Hamburger, MD who had worked at UCSD for many years. She became one of the earliest medical anthropologists and established the first Menopause Hotline.

On May 25, as you enter the lobby/gallery of the **Mission Trails Regional Park Visitor and Interpretive Center,** replete with original stone sculptures, pottery, baskets, and ongoing art exhibits, you will gaze out of floor-to-ceiling windows onto splendorous Mission Gorge. The award-winning 4,000 square foot Center is situated at the heart of the Park and provides an unforgettable view of the rugged ridges of Cowles Mountain, Pyles Peak, Kwaay Paay Mountain and Fortuna Mountain, as well as a unique view of the San Diego River running through Mission Gorge. The park, started in 1974, encompasses 7,220 acres of both natural and developed recreational acres. It represents San Diego prior to the landing of Cabrillo in San Diego Bay in 1542. Mission Trails Regional Park is considered the third Jewel in the City of San Diego Park System and is one of the largest urban parks in the United States. Originally used by the Kumeyaay, the park is the site of the Old Mission Dam, built to store water for the Mission San Diego de Alcalá.

OCEANIDS' INTEREST GROUPS

Interest Groups are the backbone of our Oceanids organization. They are here to meet the many varied needs of UCSD families, especially those new to the UCSD campus and the community. If you don't find an activity you would like to participate in, please contact Interest Group Coordinator *Judy Vacquier (858) 361-0418 or jvacq@sbcglobal.net*. If five or more Oceanids wish to start a new group, please let her know so we can inform other members. All we ask is that your members be Oceanids. If you are not yet a member of Oceanids, please consider joining us by contacting Mary Cutchin, 858-459-8074, marycutchin@yahoo.com or by submitting the application form in this issue.

Since the newsletter is posted on the Oceanids website we will, for security reasons, not publish addresses (with occasional exceptions). Please call the contact for the necessary information.

Robert A. Clossin, AICP, Director, UC San Diego Department of Physical & Community Planning

"UCSD Campus Transformation and Long Range Plan"

The presentation will provide an overview of UC San Diego's physical design framework, a Long Range Development Plan update (which charts growth of the campus to 2035) and an overview of the campus's strategic 5-year capital improvements plan. Mr. Clossin will also discuss the status of the Light Rail Transit project that has started construction.

Robert Clossin is the Director of Campus Planning. This unit is responsible for the development and implementation of campus plans, land use and site planning, compliance with the California Environmental Quality Act (CEQA) and coordination with outside planning agencies and local communities. Robert has a Bachelor's Degree in Urban Studies and Planning from UC San Diego, a Master's of City Planning degree from San Diego State University, and is a member of the American Institute of Certified Planners (AICP).

Bess Marcus, Ph.D.
Professor and Chair of the Department of Family Health and Public Health;
Senior Associate Dean for Public Health, School of Medicine, UC San Diego

The field of public health is central to addressing some of the most pressing health issues we face today, such as rising health care costs and the need for greater prevention of disease and disability across the lifespan. For more than 25 years, Dr. Marcus has directed research aimed at promoting exercise adherence and understanding the acquisition and maintenance of exercise behavior. Over the past 10 years her research has focused on increasing physical activity among underserved and vulnerable populations.

Dr. Marcus earned her MS and PhD degrees in clinical psychology from Auburn University, with a fellowship in Behavioral Medicine at Brown University. She has published more than 200 peer-reviewed articles. Her colleagues have recognized her with numerous awards, including the "Women Who Mean Business" Award from San Diego Business Journal and the UC San Diego Equal Opportunity/Affirmative Action and Diversity Award from UC San Diego. UCSD Oceanids and Newcomers

A Day in the Desert

Saturday, April 8, 2017

We will meet at the Imperial Valley Desert Museum at 9:30 a.m. for an informational talk by Carole Ziegler, our resident expert who teaches geology, environmental geology, geography and oceanography. Then we will head up Highway S2 for a geologic and hiking tour. Stops may include Box Canyon to learn some environmental issues in the desert and the history of the Mormon Trail and Mountain Palm Springs. This will be a good year to look at desert flowers because of all the rain we've had!

Directions to the Desert Museum: Take Interstate 8 East to County Route S2/North Imperial Highway to Ocotillo—approx. 90 miles from downtown San Diego. Make a right turn off of the exit ramp. Make another immediate right turn onto the Frontage Road. There will be an entrance on your left to the Museum parking lot. It will take one and a half to 2 hours to get there. Please be sure you arrive at the museum on time! If you have any questions, or need a ride, or can give a ride to others, please contact Carole: <cactus12carole@gmail.com> or Georgina: <gbsham@gmail.com> 858-232-0191.

What you need to do:
1) Pack a lunch for yourself. Bring a gallon of water per person.
2) Bring sunscreen, a hat, an umbrella for "moving shade". It will probably be hot!
3) Wear close-toed shoes for walking (no thin soled shoes) & regular socks (no anklets).
4) Bring money to have dinner in Julian or Borrego Springs.
5) Email Carole or Georgina if you plan to be there so we can look for you!

Carole's cell phone number is 619-787-4099. Be aware that not all phone services work in the desert.

In Praise of Women Who Read

One morning a husband returns to the cabin after several hours of fishing and decides to take a nap.
Although not familiar with the lake, the wife decides to take the boat out, since it is such a beautiful day.
She motors out a short distance, anchors, and reads her book.
Along comes a Game Warden in his boat. He pulls up alongside the woman and says, "Good morning, Ma'am, what are you doing?"
Reading a book," she replies, (thinking, "Isn't that obvious?")
"You're in a Restricted Fishing Area," he informs her.
"I'm sorry, officer, but I'm not fishing, I'm reading."
"Yes, but you have all the equipment. For all I know you could start at any moment. I'll have to write you up a ticket and you'll have to pay a fine."
"For reading a book?" she replies.
"You're in a Restricted Fishing Area".
"But officer, I'm not fishing, I'm reading."
"Yes, but you have all the equipment."
"If you do that, I'll have to charge you with sexual assault," says the woman.
"But I haven't even touched you," says the Game Warden.
" That's true, but you have all the equipment. For all I know you could start at any moment."
"Have a nice day ma'am," and he immediately departed.
